

**Ribbon
Writer®**

CREATE YOUR OWN BUSINESS

**Ribbon Write
your way to
success**

What is Digital Ribbon Printing?

Printing text and graphics onto a wide variety of ribbons and other materials using Thermal Transfer colours...

How can I make money with a Ribbon Writer?

You need a small investment of less than £995 including VAT (£829 plus VAT) to start your own ribbon printing business but it can generate fantastic profit margins from day one. All you need is the determination and energy to identify opportunities and create sales.

We will be there to help with technical support, marketing, online tutorials and advice on the ranges we offer and there are multiple delivery options, no minimum order values and the highest quality product ranges predominantly sourced from UK suppliers and manufactures.

A little bit about our product ranges

Ribbons - Over 50 different colour variations, widths from 7mm to 100mm, patterned ribbons and multiple finishes

Foils - 27 colour options, including metallics, ultra brights and 7 Wash Proof colour options suitable for a wide variety of projects.

Self-Adhesive Labels - 3 width options 50mm, 75mm and 100mm

Sew and Iron on Labels

Lanyard Supplies

Extras - We also stock a wide range of products from decorations to gift tags and much more.

If you are interested in making money & creating a business read on...

Ribbon print for profit

We have put together three profit-making packages, each carefully designed to provide all you need to get started in the ribbon printing business. Whether you are taking your first steps towards a business of your own or looking to add some value to sales in your existing business, we have the package for you and the experience and skills to help you on your way.

What is the average printing time?

Approximately 3-4 metres per minute.

What software do I need?

We have developed Diamond Design Software to use with our printers and printing materials. This software is simple to install and even easier to use. All you need is a windows platform to get started. We also offer full support online, over the phone and have a wide range of online tutorials so you don't need to worry, we have you covered.

How can I order supplies?

You can order using our online shop or over the phone (Please note that orders need to be placed before 12pm Monday - Friday for next working day dispatch)

How we can support you?

As part of your package, we will support you with marketing tools, tutorial vlogs and demonstrations, access to technical support and a friendly customer team ready to answer any questions that you might have. In addition to this you have the option to be promoted via our online services and you will also receive the latest news and product information with our newsletter and social media posts. Our team have decades of experience and are always on hand to help you achieve your potential.
